*Jerry Brantley - Business Manager*

68

*We share a glimpse,  
a thought.  
Searching. Moulding  
this world and  
reaching far beyond.*

*With rapid gait,  
a hurried glance  
the thought of class  
or more . . .*

*The silent language of the library  
tells the passion of life  
in the tempos of man's  
living quest.*

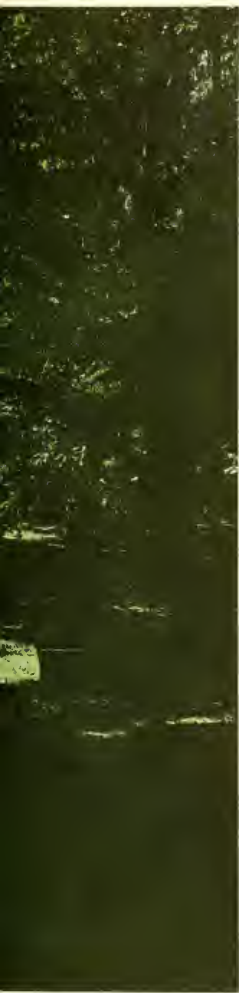

*A smiling face,  
a friend  
another  
being,  
waiting  
and so we  
meet,  
or part . . .*

*A world - in solitude  
of subtle joys,  
of times that linger  
but never wait.*

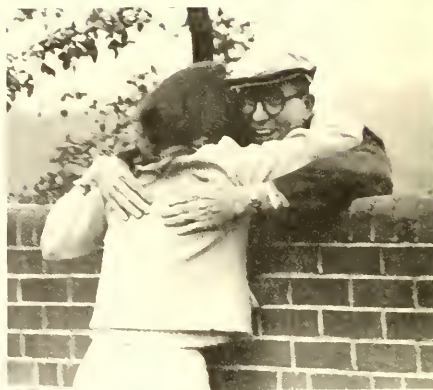

*Campus lights fade  
and dim .  
to the lone stillpoint  
of our dreams.*

*Somewhere silent thoughts  
seek an image  
as day  
returns to night.*

*As worlds touch  
responsibility demands  
we speak with the action of concern  
and to the love of friends.*

*Guilford speaks in many tongues*

*in truth*

- in self

- in life.

## Dean Nancy Melleney

Mrs. Charles C. Partridge

*With years of patience and growth,  
a woman  
shares the warmth, the understanding  
to guide, to receive  
with grace . . .*

*There is the smile, the nod,  
the soft glow of eyes  
that see, that attend, that search . . .*

*The silent dignity of sharing,  
of seeking with another seeking . . .*

*These are memories,  
rewarding; challenging our dreams;  
calling us to ourselves—  
Our thoughts hold you,  
living,  
for as we go our separate ways  
it is with the gratitude of friendship,  
of equal meeting,  
that we utter our humble Adieu . . .*

# RESIDENCE

*The community that abides,  
that gives a campus life  
finds its strength  
in the distinction of companions . . .*

*We share our lives with friends  
and the objects that speak out to us . . .*

### President

*Guilford exists as an educational fellowship, a community of learning, in which faculty and students work closely together in a search for what is true and what is good. Many of the most significant things which happen in the years at Guilford come from this common venture of working with others, and from a shared intellectual, social and religious fellowship.*

**and now . . .**

*the voices of friends grow soft.*

*The rhythm, the breath  
of this life quickens*

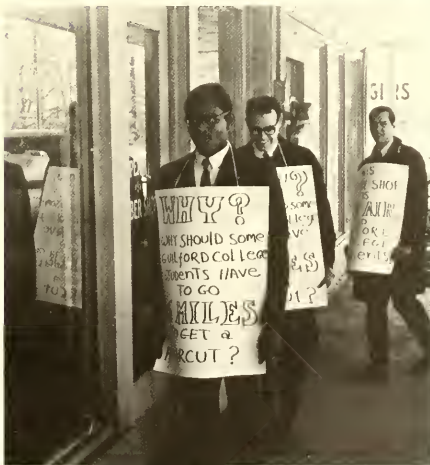

*while the silent urgings  
of our souls speak.*

*We spent our time here  
shaping the stuff of our dreams,*

# GUILFORD

*and in our wisdom  
we humbly . . .*
